TERESA L. DEPPNER, CLERK
U.S. District Court
Southern District of West Virginia

02-07-2016

Dear clerk

I am a detainee of the South central Regional Jail, and I am writing Your office concerning the legality of my detainment.

I was initially arrested and charged with third degree sexual Assault and distribution of explicit materials by the Nitro Police Department on 09-28-2015.

On 01-16-2016 I received a letter from Kanawha county circuit court informing me that the state of West Virginia was dismissing all charges. Upon receipt of that letter I contacted jail staff concerning this matter. Jail staff then informed me that a Federal detainer had been received in my name.

As of this date I have not been charged with any crime by any Federal law enforcement officials, nor have I received any communication from the Federal Public Defender's office, despite my having written them a letter approximately one week prior to this writing.

I ask that Your office look into this matter. Please request the U.S. Marshall's Service to formally charge me with a crime or to release me from custody. As of this time I am being deprived of my constitutional right to Due Process.

Respectfully,
